

FrontLine Service's Twinkle Shop will provide a magical holiday party for 150 families in our community impacted by homelessness, suicide, homicide, incarceration, mental illness, or domestic violence.

Twinkle Shop will be held at Cleveland Browns Stadium on Wednesday, December 20, 2023 from 6 pm – 9 pm. Families will be showered with holiday cheer—including photos with Santa, a holiday family meal, a new winter coat for every child, tours of the stadium, live music and dance party, and new gifts for parents and children to “shop” for their loved ones and pick out that perfect gift.

Twinkle Shop is not possible without your support.
